DEDICATION

EVALENA PLETCHER

The senior class of 1955 respectfully dedicates this year's "Rising Hi" to our language teacher and dramatics coach, Miss Evalena Pletcher.

Although Miss Pletcher is a language teacher, she is one of the most versatile teachers that we have had the privilege to have on our faculty. Since September, 1954, she has taught everything from Latin and English to geometry and algebra.

In addition to her regular teaching duties, Miss Pletcher has been, and is still very active in extra-curricular activities. She has spent much time in coaching plays and it was under her direction that the Dramatics Club was organized in 1948. Thespian Society Troupe 281 was formed in 1952.

Also, much of Miss Pletcher's free time has been spent in cataloging books in the library which requires many hours of work.

Miss Pletcher is planning to visit Europe in the summer of 1956 and has already made reservations for this well deserved trip.

I-N M-E-M-O-R-I-A-M

Corporal Paul K. Stahl, missing in action in Korea since March 25, 1953, is declared to be dead, according to a letter received by his parents, Mr. and Mrs. Harry K. Stahl, Rural Route 4, Fostoria.

The Fostoria soldier, in a letter to his parents, dated about ten days before he was declared to be missing in action, said he was about the only American in his company, the others being ROK (Republic of Korea) soldiers.

Corporal Stahl was born at Risingsun, August 7, 1931, and attended Jackson-Liberty High School two years. He was graduated from Risingsun High School in 1949. The year previous he had been named grand champion corn grower at the Risingsun School Fair.

O Lord Jesus Christ, who has known on earth the joy and vigor of youth, grant to him whom we love a welcome into thy service, that he may share with thee in the abundant life of thy eternal kingdom. Amen.

As we returned to school in September we could hardly believe we were Juniors. Our Class rings arrived the first week and we were soon brought back to reality.

Then came time for work. Our Fish Fry was held September 24 and it proved very successful.

We immediately started rehearsing for the Junior Class Play, "Don't Blame Me," which was presented on November 12.

Janet Dick was elected as one of the high school cheerleaders.

Bonnie Cox was elected as attendant to the Football Queen.

Six girls played on the girls' basketball team and six boys participated in football and basketball.

We are now looking forward to entertaining the Seniors at the Junior and Senior Banquet and we hope it will be a success.

SOPHOMORE CLASS HISTORY

The Sophomores started the school year with 27 enthusiastic members. Our class sponsor was Mr. Correll.

On October 1, 1954, Jerre Westenbarger represented our class in the Football Queen's Court. October 8, 1954, "revenge was ours" as we initiated those innocent, unsuspecting Freshmen.

Our only money-making project for the year was the sale of football schedule pencils.

Members of our class are active in band, Glee Club, Girls' Ensemble, F.H.A., basketball, football, F.F.A., Mixed Chorus, and Drama Club. Patty Bateson and Lynn Smith were chosen as cheerleaders from our class.

Our officers for 1954-55 were as follows:

President.....Glenn Nederhouser
Vice President.....Lynn Smith
Secretary.....Larry Correll
Treasurer.....Nancy Shull
Student Council.....Kay Ann Stith, Leah Sebring
Sergeant at Arms.....Norma Beair

In September, 1954, twenty-nine students entered the Freshman Class with Mr. John Ohman as sponsor. It consisted of eleven girls and eighteen boys.

Our first big experience was getting initiated. Then we were full-fledged Freshmen. Janet Graber was attendant for the Homecoming Queen. We had eight boys on the Reserve ball team, two boys on the Varsity ball team, nine boys on the football team, thirteen members in band and two girls on the girls ball team.

We are looking forward to being Sophomores and initiating the New Freshmen.

FOOTBALL

The defending champions of the San-Wood League opened the 1954 season by defeating a rugged 11 from St. Wendelin 7-0 in the annual preview at Fostoria. We then played host to Bloomdale for the annual "Cider Jug" game. It was a rough afternoon but we emerged on top a 33-13 score. The next victim on our schedule was Luckey. It was a nice afternoon as far as the weather goes but on the field it was a much different story. (Just ask one of the boys.) The score was 25-13. At this point it looked like we were on our way to a very successful season. Our next game was the one that most people remember. It was our "Homecoming Game" with all the glamor and excitement of a college game. That afternoon we played a new opponent—Lakeview. This school is located near Indian Lake. It was a hard played game, but not dirty. The first half looked as though the Tigers were on their way to another rout. The third quarter the Lakeview team just about spoiled a perfect day by taking the lead and it was not until late in the fourth quarter that the Tigers electrified the crowd by intercepting a pass and through a series of plays marched 80 yards for a TD. This ended the scoring and the game. Final score, RHS 24, LHS 19. The next game is one to be forgotten. We played our nearest rival—Montgomery Local. It was a little chilly that day. We lost 19-0. Next we took on Green Springs, a winless team. That night we played on a wet, sloppy field. It was really fun. We won 24-14. We then went to Jackson Burgoon. They had a perfect record and we aimed to spoil it. It was the best game we played although we lost 12-6. Burgoon remained undefeated and won the title. Next on the schedule was Maumee Country Day. It was a perfect day for football. We played a good hard game and won 25-19. Our last game was with Ottawa Hills near Toledo. It was a nice night and the team really looked great. We came out on top 39-21. This gave us an overall record of 7 wins and 2 losses. We consider this a good record and a successful season.

It's a fact that when you type school work you fix it in your memory much better than when you write it in long hand. That means less time on home work, better marks on exams. And if you were a teacher, with forty papers to correct, which would you prefer—those in longhand or those that were Corona-typed?

Try the World's Fastest Portable yourself! Compare the lighter, peppier touch of its full-size office machine keyboard. You'll understand why typewriter dealers have voted it best by more than two to one.
